I always expect things from Samsung more than other manufacturers, the reason is: Samsung has an amazing marketing strategy that is beyond any other manufacturer. No, I did not meant the marketing campaign. Samsung has an amazing designer team that works in every minute of the day to make these devices shine. Design Samsung Galaxy C7 Pro is a beast in terms of design. It comes with a curved 5.5-inch QHD Super AMOLED display, but the beauty is not just in the looks. The curved display goes around the back side of the phone, that makes it a very good looking smartphone. I do not need to elaborate more on the looks of this phone, if you are looking to have a smartphone that looks stunning, I suggest you to get this smartphone. Samsung Galaxy C7 Pro comes with Corning Gorilla Glass 5.0 protection on the front and back of the smartphone, and it will protect your smartphone from any sort of scratches. One of the cool looking feature that Samsung has provided with this smartphone is the fingerprint sensor at the back. Samsung has provided this on the back of the smartphone, that makes it easy for you to unlock your smartphone with just a touch. Another feature that I like on this smartphone is d0c515b9f4
