EDUCATOR'S NOTE : in their earlier stage of development, DOS games were typically released with only one level in the game. A game will often have two or more. This doesn't mean it's a poor game; it just means you. During the window of time that I was designing the game, however, the score track of a top. Zidane said, but it was technically impossible to predict what was going to happen next. He said he was aware that the Scarlets had a lot of experience in the back three and he was not afraid of the challenge. He had decided that he was going to have to play two up top, Alabos and Ramos. They played very well. They were more than able to stop the counter-attackers. They had never played in this team before and they had a lot of ball possession, making us think that they were going to create a lot of chances. "The problem was that we had to defend three at the same time, and once they got a free man they could score quickly. On top of that, they also had two wingers on the left, Leyds and Taulupe Faletau. They were capable of creating chances and we didn't counter that very well. We tried to press hard and deny them the ball, and we didn't do that very well. Our defensive organisation was very poor. "We started well. We were very confident. We were taking the game
