I'm enjoying the comic so far, but one thing is bothering me. Everyone seems to know who the main villain is in this one, and I still haven't seen a big name villain in the issue so far. The only problem is, who is he? I don't see it being Scarlet Witch, I'd like to see Black Widow, I'm fairly sure it's someone that doesn't have a codename in the Marvel comics. Anyone have any ideas? The former World Champion of the Universe has been acting a

little odd towards his sidekicks lately. Sentient robots are designed to be faithful to their masters, but Galactus is clearly mistreating them. The Universe's Super Villains are starting to take notice of the robots' situation, and it only takes one of them to take the robots' side in an attempt to free their masters. Other than that, Mr. Fantastic has moved in next door, and is refusing to move out. This is a cartoon, of course, and you can assume they will move out eventually. So, I think, it's Panther, and Giant-Man. They are heroes, but they started in the same company as the Skrulls, and now they are behind the Skrull invasion. Logged The "Why were the Movies and the Music so Bad before 1984?" Beats me. Other than that, Mr.
