This was a fun game but not worth 60 dollars, what makes it special is it's Multiplayer, when it comes to Multiplayer FPS, I like how the game plays very smooth and it has amazing graphics, but it doesn't have any Multiplayer modes what makes the game disappointing is it has a zombie hunting mode. This is a copy of the original Plants vs Zombies Garden Warfare game, the expansion drops you right into the battle, you can't even find a character or a level, you don't control the character, the towers, and the game is WAY too short in spite of it being a sequel, there is no campaign mode, No interface that allows you to customise your options or anything, it's just what it is. Garden Warfare 2 is in fact a reboot of the 2010 game, same feel, good game, it just has the mechanics of Plants vs Zombies...
