when a whole lot of communities display a variety of costume events, displays, dance competitions, carnivals and tons of fireworks displays in the evening of October 31st. Halloween is regarded as the most terrifying and superstitious holiday in all the countries of Europe and North America. It is believed that spirits reside in the dark and evil ones would be present on Halloween night. However, people also believe that a good spirit would also make an appearance that night as well. The evolution of Halloween and its traditions over the centuries The history of Halloween has been different throughout each country, yet there are some common traditions and beliefs around it. The earliest form of Halloween is believed to be Hell Night, when the devil would come to visit the earth at night. It was a tradition that was brought from England to the continent, during the 19th century. Since then, Halloween has evolved and spread across the world. The belief of believers with regards to Halloween changed as well. From being observed and observed for a day, the holiday became a night-time event by the 1700s. Since then, Halloween has been kept as a night-time event, with decorations being the only visible evidence of the holiday's existence. Key features of Halloween: ?Festivities, celebrations, and costume events ?Holiday parties, carnivals, parades,

fireworks, and more ?Candy, goodies, and chocolate  
?Costumes ?Trick or treating ?Casper the friendly  
ghost ?Spooky decorations ?Ghost stories ?Haunted  
houses However, Halloween celebrations have been  
kept as a night-time event throughout the years  
because the day was considered a day for  
celebration. By the mid-1800s, Halloween was  
considered a secular holiday in most of the  
countries, yet people still kept observing Christmas  
and New Year's Eve as well. Halloween has also  
become very popular all around the world.  
Halloween parties and events have been held all  
around the year. The holiday is a night of "fun,  
partying, and celebrations", as Halloween is a day  
which people dress up as their favorite characters  
from novels and movies. In Europe and other  
regions, Halloween is usually connected with the  
tradition of "Halloween bonfires". These bonfires are  
an effort
